

TAYLORS MILL PROPERTIES

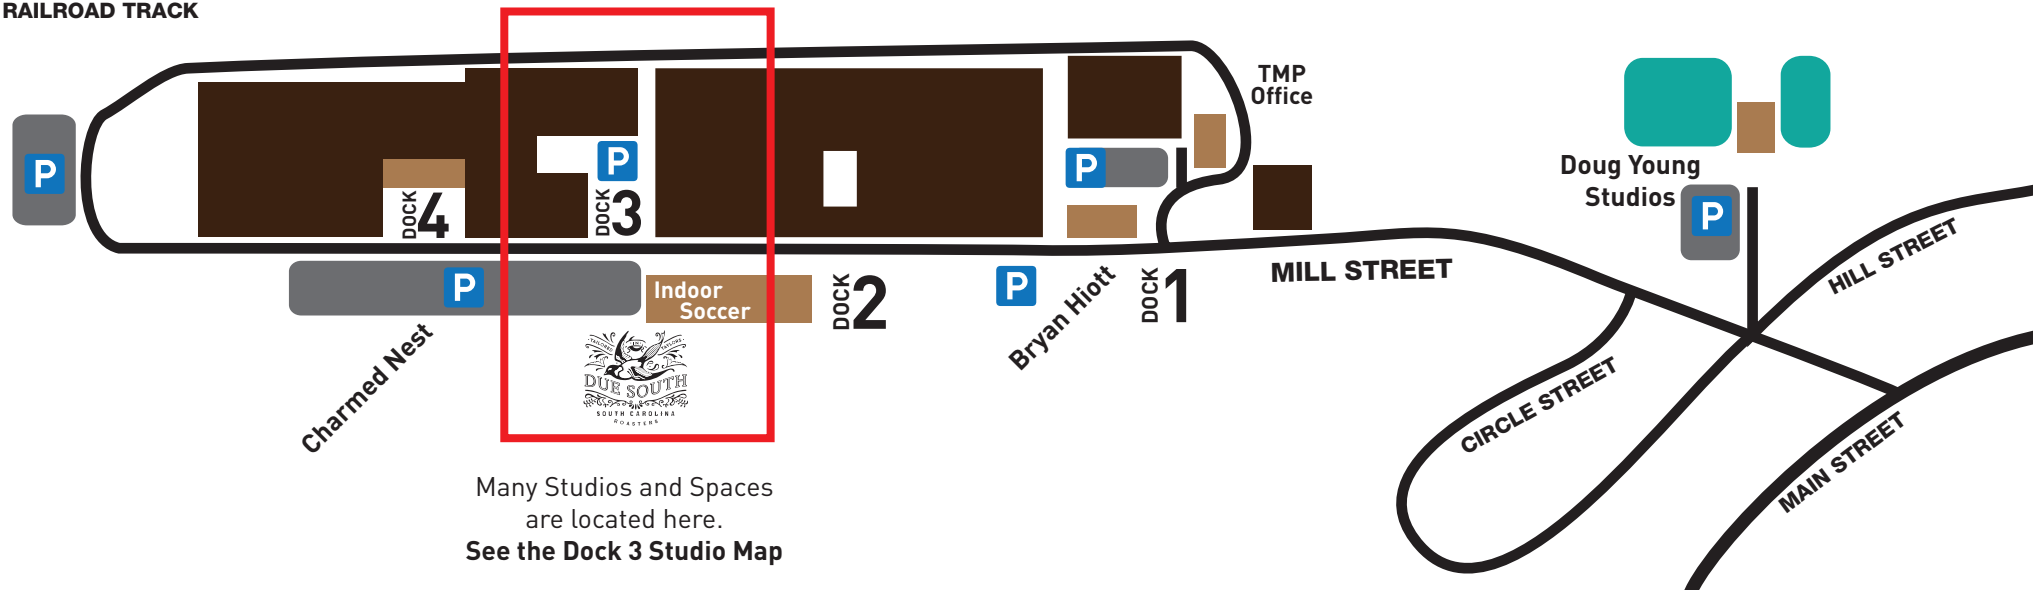

Welcome to the Taylors Mill in Taylors, South Carolina. This Mill began its life as the **Southern Bleachery**, and operated as such from 1924 until 1965. Today, it is being reborn as a mixed-use haven.

In January, 2013, a group of artists met for the first time in the Taylors Mill, and **Taylors Art Group (TAG)** was formed. Currently the home of several working studios, the Taylors Art Group is establishing an epicenter for the arts in the Taylors Mill.
