The final day will remind us of the promise God made to send the "snake crusher," Jesus, to rescue, save and redeem His people. VBS will include a rotation of large group, Bible story, crafts, gym, and music. Register by May 22 in the Church Center App or at taylorsfbc.org/events.

Report from Boston Outreach Trip

Written by JD Burke

Four of us from Taylors FBC left for a quick trip to help our partner, Encounter Church of Westwood, MA, with their annual Easter Egg Drop. This is the event they started many years ago when they first went up to the Boston area to plant a church. The church rented a city park in the nearby town of Dedham, MA and invited the town to come. This year they had over 4000 people pre-register for the free Saturday event. They had multiple bounce houses, inflatable slides, and a climbing wall to keep the kids occupied during the afternoon. They also had face painting, games, music, and two giant Easter Bunnies that interacted with the crowd. The plan was to have three "drop" times where a helicopter flies overhead and drops out thousands of plastic Easter eggs filled with candy. Unfortunately, the weather did not cooperate, and it was a chilly 45 degrees, and rained the entire morning. The poor weather did not deter the workers and volunteers that completed the setup of equipment for the crowd. By the time the event kicked off at 12:00, the rain had almost stopped. The weather did lessen the crowd size, but an estimated 1200 people still attended. The low cloud ceiling prevented the helicopter from flying over, so we just scattered 35,000 plastic eggs over the large field. The kids were divided into three groups and at three different times ran out into the field to collect the eggs. All the eggs were gone when the festival ended about 4:30. The volunteers then worked a couple of more hours to remove the fencing, pack away all the games, and supplies.

Encounter Church has made a great impact on the community because of this event. Each year the number of attendees increases. It is a time to show the love of God and what He has done for us. They take the time to invite all to join them on Sunday at one of their two Easter services this year. We attended the church service on Sunday and then headed to the airport for the flight home. This year Encounter Church is starting to train up a new team of worship leaders and a new Pastor that will begin to plan for the next church in a neighboring town. We got to meet the new young Pastor and his wife. His wife grew up in the proposed new location, so they already have a head start! They ask for prayers as they start the journey to plant a new church to expand the Gospel. The Encounter Learning Center is looking for two more teachers and is now at full capacity for students. God has been faithful as have our partners Chris, Ginny, and the few families that left Taylors FBC some 10 years ago with nothing but faith and a dream.

Taylor's Team visits International Mission Board

This past month several of our Ministerial Team had the opportunity to visit the International Mission Board (IMB) headquarters and training center in Richmond, VA. This was a great opportunity to learn more about the incredible impact that is being made on the world through the cooperative effort of Southern Baptists. The IMB currently has 3,506 missionaries who are literally serving all over the world. In addition to these missionaries, who are all from Southern Baptist churches in the USA, the IMB is forging partnerships with like-minded churches from other nations to send missionaries to join IMB teams. We call these missionaries Global Missionary Partners (GMP). Currently there are 78

serving, with a goal of sending a total of 500 GMPs by 2025. The Lord is answering our prayers for more laborers and is raising them up from unlikely places. Praise the Lord!

During our visit to IMB headquarters, Pastor Josh had the opportunity to preach a message during their weekly chapel time. He brought a powerful Word from Acts 28, reminding everyone that the book of Acts closes with a declaration of the fact that despite opposition, the Gospel continued to go forward, "with all boldness and without hindrance." May this Word remind us all of the priority that we must make of continuing to proclaim the Good News until all have had the opportunity to hear! May it also remind us of the power of God that will bring fulfillment to John's vision as recorded in Revelation 7:9, "After this I looked, and behold, a great multitude that no one could number, from every nation, from all tribes and peoples and languages, standing before the throne and before the Lamb, clothed in white robes, with palm branches in their hands, and crying out with a loud voice, "Salvation belongs to our God who sits on the throne, and to the Lamb!"

Personal Testimony Tool

One of the simplest ways to begin a spiritual conversation with someone is to ask them if you can briefly share with them the story of how your life was radically transformed. If they are open to hearing your story, share the 3-minute version of your personal salvation testimony with them. The diagram to the right serves as an outline for crafting your personal salvation testimony.

Your testimony should be shared in three points through three or four sentences each:

1. Describe what your life was like before you came to know Jesus as your Lord and Savior.
2. Describe the circumstances surrounding how you heard and believed the news of Jesus death & resurrection, and how you repented of sin and began to follow Jesus.
3. Describe the impact that Christ has made on your life, highlighting what's different about you since you repented and believed the Gospel. Keep in mind that your goal is to be able to share your testimony in three minutes or less.

After sharing your personal testimony, you could say something like, "I am so very thankful for the peace, hope and joy that Christ has brought into my life. Is this something that you have experienced? Would you be open to hearing more about a personal relationship with Christ." If so, move right into sharing the Gospel with them.

Los Angeles Partnership

Spanish Language Church Planter Assessment

It was great to spend time with our North American Mission Board (NAMB) SEND Los Angeles missionaries. I had the unique opportunity to see church planters serving others and spreading the gospel in the heart of one of the largest and most diverse cities in the United States.

Los Angeles is a city of great contrasts, where people from all walks of life and cultural backgrounds come together. The church planters' work is challenging ministry, stepping out to engage with people from different backgrounds and perspectives. The church plants are working with homeless populations, ministering to families in low-income neighborhoods, or partnering with local churches and ministries to bring hope and healing to those in need.

NAMB Staff Interviewing Potential Church Planters

I was able to attend the Spanish Language Church Planter Assessment. The planters and their wives were preparing to plant new Spanish Language Churches across greater LA and throughout California. These families were evaluated to strengthen the success of the new church starts. The NAMB SEND team provided training, support, and resources to help these planters make a lasting impact on the lives of the communities they serve. The planters expressed their desire to serve and share the love of Christ, disciple others growing in faith, and see life transformation to impact Los Angeles, changing the world for Jesus. — Chris DeWease

Love Taylors Day 2023

What an amazing day! Despite a stormy beginning to the morning, we were able to complete 25 out of 29 projects on April 1. Your joyful spirit and enthusiasm for serving our community was contagious, and many of those you served have expressed their gratitude in various ways. Thank you to all who served so well on Saturday and to all who serve with our Love Taylors Ministries and Ministry Partners on a regular basis – your light is truly shining!

Those who Served

Taylor's FBC members served - Life Groups, WMU, Ministry Teams, children, students, college, adults of all ages! Neighborhood Organizations and friends also served – the Lions Club, the Kiwanis Club, Aiken Chapel members, Taylor's Town Square members!

Those we Served

Three elementary schools, children who are food insecure, women in recovery from addiction, men who have been incarcerated, foster children and families, first responders, community ministry partners, refugee families, neighborhood residents, and others.

What is Love Taylors?

Love Taylors exists to engage our community with the gospel while building relationships through acts of service. While approximately 600 people spread throughout the community on Love Taylors Day every year, most of our Love Taylors Ministries are on-going. Taylor's FBC is blessed to have many members who are passionate about meeting needs and sharing the love of Jesus with the most vulnerable in our community on a regular basis.

You are the light of the world. A city set on a hill cannot be hidden. Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven. Matthew 5:14, 16

How has God gifted you and equipped you to love our neighbors? If you'd like to explore, contact Shianne Bujtor at lovetaylors@taylorsfbc.org.

FUGE Camps

at taylorsfbc.org/events.

Why FUGE? Hear from a few of our students who have gone in the past and who decided to come for the first time this year!

"I'm very excited for FUGE because I get to spend time with and get closer to my church friends! I'm also excited to get closer with God and get to hear sermons from speakers I don't typically hear from. Also, I love getting to meet new friends and participate in all the activities and games! — Kate George, 8th Grade

"I have never been to FUGE but many of my friends have. They couldn't stop telling me about how amazing and life changing FUGE is and have always encouraged me to come. I can't wait to attend this summer and see the Lord work in all our lives." — Anna Claire Littlefield, 12th Grade

"FUGE is always a fun time for everyone to come together and grow closer with each other and more importantly grow closer to God. As soon as you step foot on the campus, you can feel God's presence surrounding you. This summer I am most excited to grow closer with people in the student ministry and spend a week with each other building our relationships with the Lord." — Rebekah DeMars, 12th Grade

Adopt-a-Grad Testimony

Thank you to Josh Duncan and Alex Smith for the ideas and encouragement during this Adopt-a-Grad process. I adopted Jack Davis from the pictures on the tables in the Welcome Center on Graduate Sunday last May. I can't help but believe that it was God's Will for me and for him. His granddad was a dear friend of mine. We often played golf together and had an intentional friendship. Later with his sickness I would sit with him in the hospital, just to let him know I was there for him.

I also have a granddaughter who is a freshman at Texas State south of Austin, Texas. Your ideas and suggestions have helped me in my decision of needs for her and Jack. I recently went to Limestone College to hang out with Jack after one of his baseball games. It's been a blessing to get to know him and spend time with his family during this year. — James Beard

Praise the Lord!

We celebrated seven student baptisms this month! Many of these students made the decision to walk in obedience and take this next step of faith while at Spring Retreat this year. The Generous Giving of our church members had a direct kingdom impact on the lives of these students and countless others.

FUGE is our next Cornerstone event and God has gone before us. We believe He is going to move in mighty ways while we are at camp this July. Our prayer is that finances would never prevent a student from attending one of our Cornerstone events. Please consider donating to the Grant Harrelson Scholarship Fund and scholarship a student to go to FUGE! Scan the QR code to give. We appreciate any donations, encouragement and prayer!

Virtual Bible Study

The virtual Women in the Word Bible Study met on Tuesday evenings and studied the same curriculum as the in-person Bible studies. Even though we meet virtually, we have built a strong supportive community that shares a love for studying God's Word and being in community with others. The virtual Bible study group gives women that may not be able to make it to in-person studies at church the opportunity to be a part of a weekly Bible study. Below are some quotes from a few of the women. If you're looking for a place to plug in, we would love to have you!

— Ingrid Huggins, Women's Virtual Bible Study Leader

"As a special education teacher, I find the virtual Bible study so convenient after a busy day at work. I'm more likely to attend weekly. I love being in God's Word weekly with my sweet Bible study friends." — Dana Crumley

"The virtual women's Bible study has been a lifeline to me - especially during a time of great transition in my life that keeps me out of town more often than not. It was wonderful to remain connected to God's Word and to friends as we met each Tuesday night." — Missy Edwards

"I am so thankful for the virtual Bible study! Most ladies that attend work full-time, and were virtual not an option, we couldn't participate at all. I love the sense of community that has been created within the group, despite members who live out of state or those who must travel for work and join from a different city each week!" — Stacie Burnett

"If it weren't for the virtual Bible study, I wouldn't have been able to participate for the last two years from Orlando! Even though I'm 600 miles away, the virtual study has enabled me to meet every week with a wonderful group of women who have become good friends!" — Peggy Leis

Connections Spotlight

Guest Services' Guide Team

While we are thankful for all our wonderful Guest Services Team Members, this month we want to give a special thanks to our Guides. Our Guides serve faithfully every month to serve our guests and members by making every person that walks into our church feel welcomed and at home! They serve with fervor and joy, and we are grateful for their smiling faces.

Life Group Spotlight

It is a pleasure to be a member/leader of the Bunnell/Evette Life Group. We have a great group digging into God's Word together each week, in order to impact our homes, our church and those we encounter in our lives. We meet together on Sundays during the second hour at Taylors FBC. We have small groups of men and women that meet during the week to dig deeper into God's Word and encourage each other as we face life together.

While many of us have been together for numerous years, we are excited to see the way God continues to grow this group with several joining our group in the past few months. We are currently studying the Gospel of Mark. God has worked through many in our Life Group during the past 18 months, opening our eyes to the depth of His Word.

It is a joy to see scriptures written so long ago and read so many times before, come alive as we discover the Story of God's redemption unfolding from Genesis to Revelation. Our time together each week is leading to more consistent personal study, more purposeful parenting and more focused prayer. Through our Life Group discussions and small groups, we are able to better see so much that God wants us to *know*, *be*, and *do* in order to strengthen our relationship with God and others.

Children's Spotlight

Partnering with Families

This month, we are highlighting our volunteer Lena Poulos, who plays a key role in our Elementary classrooms. Her favorite thing about serving with Taylors Children, the past 17 years, is that she loves being able to partner alongside families, hoping to build lifelong relationships in their child's life and being an influence for the kingdom of God. A fun fact about her is that a couple of her nicknames from loved ones are "Lou-Lou" or "Lena-Lou." We greatly appreciate Lena's heart of service and love for children.

If you would like to serve with Taylors Children, please contact Melissa Mayer at melissam@taylorsfbc.org.

God's Work in Taylors College

Reflections on a Semester of Faith and Growth

As the semester comes to a close, I value a time of reflection and gratitude for the ways in which God has worked through Taylors College. From the challenges of navigating a changing campus landscape to the joys of witnessing spiritual growth and community-building, God's presence and work have been evident in numerous ways.

One of the most significant ways in which God has worked in college ministry this semester is through the deepening of faith among students. As young adults face the pressures of academic responsibilities, social dynamics, and personal struggles, their faith is often tested. However, this semester has been an indicator that God is still at work and desires to use the lives of college students for His glory. I have seen students earnestly seek after God, wrestle with tough questions, and grow in their understanding of who God is and how their faith impacts their lives.

Through weekly Bible studies, Life Group discussions, and one-on-one discipleship, students have engaged in meaningful conversations about the Scriptures, explored personal testimony, and gotten plugged into serving opportunities at Taylors FBC. I am privileged with having the front seat in this ministry to watch and encourage them along the way.

As the semester comes to an end, it is clear that God's work in college ministry has been far-reaching — from deepening faith, fostering community, to sending several students out on overseas missions trips and summer serving opportunities. The semester has been a testimony to God's faithfulness, and we are grateful for the ways in which He has worked in the lives of students and leaders alike. I am thankful for another semester of cultivating "Deep Roots and Strong Limbs". Onward to Summer!

— Alex Smith, Minister of College and Young Adults

Men's Breakfast

Our Taylors Men kicked off the spring by gathering together for a breakfast and challenge from our Teaching Pastor, Nathan Finn. Nathan focused on holiness in the household. His message challenged men in various stages of life to develop habits of holiness. All men in attendance were offered a copy of JC Ryles book, *Holiness*, to encourage them in their walk. Additionally, we were able to hear about some ways to get involved in various ministries such as our home repair team, leading our families in the Scriptures, and one of our South Carolina Baptist ministry partners, Camp McCall. Philip Jewel, a.k.a. Snowball, shared a little about Camp McCall's history and how they are encouraged to partner with men in the local church to host men's retreats and bring young men to experience God's creation and challenge at Camp McCall. In spite of the rain, we had a wonderful time together with full hearts and full bellies. We look forward to what's ahead in the men's ministry at Taylors First Baptist Church.

We invite you to join us!
