due his name; bring an  
offering and come before him.  
Worship the Lord in the  
splendor of his holiness.**

1 Chronicles 16:29

## Worship at Taylors

### Why worship?

Because we are commanded in scripture to worship! 1 Chronicles 16:29 says "Ascribe to the Lord the glory due his name; bring an offering and come before him. Worship the Lord in the splendor of his holiness."

### Is worship for us or for God?

The answer is both! God wants fellowship with us – He gave the ultimate sacrifice in Jesus, His Son, in order to restore the relationship between God and man that was broken by sin. He delights in our praises. But worship is also for us. It helps us to gain perspective on life, to understand the greatness of God, and our need for Him. We were created to worship!

## Why do we sing as part of worship?

Singing is an activity of worship that is found throughout the scriptures, especially in the Psalms. Repeatedly we are admonished to “Sing a new song to the Lord!” (Psalm 96). Singing involves breathing. Our voice is a creation of God. God put a book of songs right in the middle of our Bible, to help us express our heart to Him – our joy and our sorrow and everything in between.

## Why do we read scripture together in worship?

Because God speaks to us through His word, and we want to hear from Him, even before we sing our songs and pray our prayers. God is initiator of worship. We respond to His words in praise, thanksgiving, and joy.

## Why do we have worship leaders?

We have people who are given gifts to teach, to lead, to share hospitality, to carry the Gospel, to care for the poor and needy. These leaders in our church use their gifts for the good of the Church and for the glory of God. The same is true for those who sing and play instruments and communicate through the tool of music. In the scriptures we find the tribe of Levi who were given the role of worship leadership in the Old Testament. Our singers, choirs, bands, and orchestra fulfill that same role at our church. They are not there to bring glory to themselves, but to point the people to God. The biggest “choir” at Taylors FBC is the congregation. One of our most important questions in evaluating worship services is, “did the people sing?” The worship leaders are there to prompt YOU to join in the worship of our AUDIENCE – The Father, the Son, and the Holy Spirit.

## Why do we have three different worship services on Sunday mornings?

While this may change in the future, we believe that for now the three different expressions of worship reflect the diversity of our multigenerational congregation, and give a space for everyone to express their worship in a familiar context. We also come together for special services and events to give regular focus to the unity of our congregation – unified not around a musical style or worship expression, but around the Lord and the vision He has given to us to change the world for Jesus.

## How can you get involved in the Worship Ministry?

We have choirs for every age, from preschool through senior adults! If you love to sing, and want to learn to be a worshiper and a worship leader, come join us! No audition is necessary.

## How can I deepen my worship encounter each week?

When you come to a worship service, enter into the experience with your whole heart. If the song is unfamiliar, read the words and meditate. If you know the song, join in singing! Read the word of God with both your head and your heart. Give attention to the preaching, and allow the Spirit of God to guide your thoughts. Pray fervently. Give your tithes and offerings as an act of worship.

In His encounter with the Samaritan woman at the well, Jesus said, "God is spirit, and those who worship him must worship in spirit and truth." In worship we must engage our minds with the truth of God, giving Him our attention and our focus as He speaks to us from His word. And we must also engage our hearts, our spirit, with the Spirit of God, offering our deepest affection and adoration to Him. We worship with our head and with our heart, in truth and in spirit. Learn to be a worshiper – to know God, to love God, and to praise Him for Who He is and for what He has done for us.

## VBS Vision 2024

If you're planning on serving during VBS this summer come join us on February 28! We will meet in the Chapel from 5:45 - 6:15 pm.

We are very excited about Very Best Summer and want to share the vision and goals that we plan to achieve this summer! Come ready to hear about our theme and the specific roles that are needed!

# Summer

with Taylors Children

Tuesdays and Thursday beginning May 28, 9:00 am - 1:00 pm, for Rising K4 through 2nd Grade

Rising K4 through 2nd graders are invited to Summer with Taylors Children throughout the summer. Children will enjoy time on the playground, making crafts, learning more about the Bible, music time, movies, and of course lunch time with their friends.

Summer Camp is \$340 per child. Payment for camp will be collected through Brightwheel on May 15. Secure your spot by paying the \$25 per family registration fee at [taylorsfbc.org/events](http://taylorsfbc.org/events) or in the Church Center App.

# Parent/Child Dedication

Sunday, March 3 | 8:30 and 11:00 am

The dedication is a time of giving thanks to God for His provision of children and the privilege of parenting. It is also a time for parents to commit to follow God's direction and plan for their family by making a public commitment before the church body, allowing the body to support their family through prayer, wisdom, and encouragement.

Sign up at [taylorsfbc.org/events](http://taylorsfbc.org/events) or in the Church Center App by February 11.

## Taylor's Students

# FUGE Camp

July 15-20 at North Greenville University

For students, a week at camp is exciting, fun, loud, and sometimes even messy. But those things don't bring about life-change on their own. Every moment spent at FUGE is intentional. Camp programming is designed to take students out of their normal routine and place them into an environment that is focused on life-change through relationship with Christ. Sign up today!

Cost: \$389. Secure your spot with a non-refundable payment of \$100 at [taylor'sfbc.org/events](http://taylor'sfbc.org/events) or in the Church Center App.

RENEWAL  
GENERATION™

## Life Group Highlight

The Brown/Sprouse/Morgan Life Group is a diverse group of singles (divorced, widowed, and never married) along with some married members. We are a community of caring and devoted members who disciple and care for one another as well as to others inside and outside of the church. Many of us are very active within the church in other ministries, as well. We routinely partner with Taylor's Free Medical Clinic and Bella's Bag. And, we have partnered with the Northwest Crescent Developmental Center by donating clothing and gifts to the children as needed. We recognize the teachers each year during Teacher Appreciation Week. Along with singles-wide fellowships, we have Life Group fellowships twice a year, scheduled day trips, and small groups who meet each Sunday for lunch after worship services.

## The Gathering is Back!

Taylor's College is taking advantage of the semester by studying through the Book of Ezra. We welcomed back our mid-week Gathering to over 100 young adults! God is so good to us and we love being part of this blessing. Please be in prayer for our college students as they begin another semester, work towards their careers, and share Jesus with boldness. Additionally, we will be taking a several students to Converge, a collegiate conference sponsored by South Carolina Baptist Convention. Pray that they would be equipped and encouraged through worship, preaching, and being immersed in the God's Word.

*After coming to North Greenville from a gap year program I started trying out churches in the area. Taylor's First Baptist stuck out to me through their intentionality shown by their pastors and their members. I have enjoyed being a part of the college ministry and meeting other college students that go to different schools or live in the area! Since Taylor's is big and multi-generational church it can be hard to meet people other than students but Big Breakfast has also been a really cool event that is held in the college ministry once a month where college students get the opportunity to meet and talk with different ages of Life Groups at Taylor's! — Kylie Sheldrake*

## Young Adults

---

Last month our Young Adults got together, drove to Moonshine Mountain in Hendersonville, NC and spent the morning snow tubing in 18 degree weather! We had the best time enjoying the slippery slopes, drinking hot chocolate by the bonfire and eating delicious food at local restaurant in Flat Rock, NC. Our group was small but it was the perfect size for having intentional and deep conversations. Moonshine Mountain was so fun – lots of activities for us to do but mostly we huddled up by the fire, laughing and sharing stories together. We love this group and those who weren't able to join us. Can't wait for our next outing!

## April 12 -14 Special Guest: Dr. Donald Whitney

Don Whitney has been Professor of Biblical Spirituality and Associate Dean at The Southern Baptist Theological Seminary in Louisville, KY since 2005. He is the author of several books including "Praying the Bible."

He will be with us Friday, Saturday, and Sunday during Equip Weekend to teach on the topic of Prayer.

## Taylor's FBC is on Mission to Change the World for Jesus

The vision of the Reach ministry is to glorify God by sending the members of Taylor's FBC to make disciples of their neighbors and among all the nations. There are 42,000 lost people living within a 3-mile radius of our church, and there are 3,180 unengaged unreached people groups living around the world. These numbers reflect unprecedented need and incredible opportunity for us as a church to double down on our efforts to engage the lost, make disciples and establish churches. In our own community, and in the communities of our partners who serve in LA, New Hampshire, the Carolinas and South Asia, there is much work to be done! The need of the hour is to see every member of Taylor's FBC mobilized and involved in the work of the Great Commission – praying, giving, and going for the Glory of God!

The list of opportunities for YOU to be involved is below. Would you consider asking the Lord to show you what part He is calling you to play?

## Myrtle Beach Update

Myrtle Beach, SC is known as one of our nation's top summer vacation spots. The sun, sand and waves draw people from all over the US to come, relax and be entertained. This vacation destination has quickly become more than a spot to come and stay for a few days. For the past 3 years it has been named one of the fastest growing metro areas in the United States. People are moving there in droves. That kind of rapid growth has made this an area of great focus for our convention of churches regarding the need for church planting efforts.

Recently leadership from Taylors FBC were invited by SCBC staff to go on a vision tour of Myrtle Beach to explore ways that we might become actively involved in the work of church planting there. It was exciting to meet with leadership from some of the existing churches in the area to discuss ways that we might work together with them in the days ahead. It's hard to deny God's impeccable timing as we consider the correlation between the discovery of this opportunity and our churches growing intentionality in the area of preparing more laborers to be sent out to plant churches. Praise the Lord!

*The goal of our vision trip was to discover how Taylors can best partner with the fastest growing city in our state, Myrtle Beach, in efforts to engage the community with the gospel and establish the church. We had the opportunity to go around the area and meet with pastors and church planters that are already doing this work and are experiencing the need for more like-minded followers of Jesus to come alongside them to reach people for Christ. I am excited to get to partner with Ross Grall, who has planted Rivers Edge Church, to engage their community through sports camps and evangelism with a group of our 7th - 9th grade students this summer. I am expectant of all the Lord is going to do in the Myrtle Beach area and how Taylors FBC can join him in this mission. — Josh Duncan, Minister of Students*

*I have visited Myrtle Beach many times as a tourist on vacation, but this time was different. Through conversations with pastors and church planters we were given a glimpse of the great spiritual need, and incredible opportunity for the gospel along the Grand Strand. I am looking forward to seeing how God will develop new partnerships with pastors to share the gospel, make disciples, and establish the church. — Jeremy Thompson, Equip Pastor*

Please join in praying for discernment regarding how our church can play an active role in the work in Myrtle Beach. Pray for teams of students and adults who will serve there this summer. Pray for our relationships with churches and planters in that area who have a burden for seeing the work advance. Pray for those in our church whom God may call out to play a more active role in establishing churches in Myrtle Beach.

# Celebration

Let's celebrate together the generosity of the Taylors FBC family for giving so graciously to support the work of missions. To date, we have received the following amounts as designated gifts above and beyond what is given to missions through the church budget.

Lottie Moon — \$58,800

Reach Offering — \$81,565

# Serve Saturday Recap

On January 27, we had our first Serve Saturday! Serve Saturday serves as opportunity for church members to not only serve our community for the morning, but also establish on-going relationships with community partners and the people they serve. Our hope is that while we serve, we would also share so that those we are serving would come into saving relationship with the Father. This Serve Saturday we served Bella's Bags, Brook Glenn Elementary, and the Spring Grove Apartment community. Bella's Bags packed 480 bags that will be delivered to students that face food insecurity. Volunteers were able to clean and do outside work at Brook Glenn to better the environment of the school for students and faculty. The Block Party hosted at Spring Grove, alongside Community Mission Baptist, served as a time of connection and encouragement for the community members that attended. Join us in praying for the seeds that were planted Saturday morning! If you're interested in serving one of our Love Taylors partners, visit [taylorsfbc.org/serve](http://taylorsfbc.org/serve) and complete the volunteer form.
