Psalm 96:1-4

Why Reach ministry?

God is worthy of the worship of all peoples! He has revealed Himself to us as the One who created and sustains all things, for His glory. The world exists for His glory! People exist for His glory! You exist for His glory! When we accept the reality that most people in our world today are living without a clear understanding of who God is, we will rightly understand our role in declaring His glory here and around the world. Psalm 96 reveals that God is worthy of our worship and our witness. The Reach Ministry at Taylors FBC exists to glorify God as we send disciples to make disciples of their neighbors and among all the nations because we believe the Bible is clear: Everyone who is saved is sent.

Reach Ministry Priorities

To maximize our impact, we must prioritize the right things! Here are some ways we've implemented our three priorities.

Prayer

We trust God with the needs in the harvest. We pray in faith, asking Him to raise up more laborers. We ask Him to sustain and empower our partners as they serve. We ask Him to remove barriers and prepare many hearts to receive the seed of the Gospel and to bear much fruit for the glory of God.

Opportunities for Prayer

- **Monthly Partner Updates given to the Life Groups**
- **Pray for Unreached and Unengaged People Groups — visit PrayASAP.org**
- **Scan the QR code to receive the weekly email with prayer requests for partners.**
- **Prayer For the Harvest: Meet in the Taylors Rec Center on Tuesdays at 7:00 am**

Tuesday morning prayer is a time when we gather to pray for the great harvest - for those who have yet to come to faith in Christ. Jesus said to pray that the Lord of the harvest will send out laborers into His harvest - and so we do! We begin with the Word of God, and let it guide us. It is a blessing to be there! — Dee Hopkins

Preparation

We are committed to teaching and mentoring disciples in a missional lifestyle, so they too can make disciples who make disciples, sharing the Gospel with urgency and walking in the power of the Holy Spirit.

- **Month of Impact: Over a month, we train Life Group members on how to share their faith using tools.**
- **Harvest Summit**
- **WMU: Meets the second Tuesday of every month from 10:30 am to 12:00 pm**
- **Disciple Cycle: A 12-week study that focuses on how to be a disciple who makes disciples.**

Like a spiritual Swiss Army knife, Disciple Cycle has provided tools for the Holy Spirit to call to mind when I'm sharing the gospel with others in various situations. It has given me clear and practical direction for helping new believers grow in their faith, which I've enjoyed teaching to my own children. Most importantly, Disciple Cycle has flamed a passion in my spirit to be more intentional in having gospel conversations with those who are near to me but far from God. — Caleb Mitchell

Partnership

We tackle the crisis of lostness in cooperation with others. We believe that we can accomplish more together than we can alone, and we are pursuing Kingdom wins!

Opportunities for Time in the Harvest

- **Share Sundays**

Recently, several of us went out on "Share Sunday" into the Taylors community to prayer walk, deliver Easter service invitations, pray with community members and witness the Gospel message. It was a fruitful experience as we had the opportunity to go door to door meeting our neighbors and offering prayers for their specific needs. We were moved by the gracious reception we received and were able to witness and pray with many of our neighbors who have recently encountered significant family struggles or have ongoing difficult situations. It was a blessed time of "loving Taylors" and advancing the Gospel to our community neighbors! — Wiley Johnson

- **Time in the Harvest: Thursdays, 3:00 - 5:00 pm, Meet in the Church Office**

By going out into the harvest we have begun to truly walk in the footsteps of Jesus. By seeking to share the Gospel we have also been given many opportunities to speak into the lives of fellow believers. This past week we were able to talk with a fellow sister in Christ who had been experiencing many personal struggles. We were able to talk and pray with her giving her much needed encouragement and fellowship. — Andrew King

It's easy living here in the "Bible Belt" and being surrounded by Christian friends, etc. to lose sight of the enormity of the lostness that's all around us. I've seen the reality that the chances that those that we see in the grocery stores, living in close proximity to us, etc. are more likely to be lost than to have a true relationship with Christ. We have an opportunity here within our church to be proactive in regard to engaging the lost population that's all around us in an organized way. — David Pilkington

- **Homework Club: Thursdays at Spring Grove Apartments**

We may not all be called to a mission trip far away, but we can serve right here at home. After my first week at Homework Club, I knew God was working! Even in opening my eyes to the needs in this community. The first little girl I had was so precious and loved being helped. I got to talk to her about her life and even share Jesus with her. These children are starving for love and what a great place to start - telling/sharing God's love for them, in their neighborhood. God sent His Son for ALL, not just the church attendees, but ALL people.

— Tonja Faulkenberry

- **Village Wrench: First Saturday of each Month at Spring Grove Apartments**

Participating in the monthly ministry of Village Wrench has been a blessing in so many ways. It is remarkable how something as simple as free bicycle repair has helped to build so many relational bridges, as well as lead to many gospel conversations with children and adults. I am very grateful for the open doors to pray with and witness to members of the community, made possible by the faithfulness of this ministry to this neighborhood. — Rick Wilson

- **Reach trips: Taylors FBC partners in Los Angeles, New Hampshire, South Asia, and the Carolinas**

We've had the privilege of being part of several Reach trips to different parts of the world and we have seen the spiritual darkness and lostness that exists today. But we have also seen how God is at work in bringing people out of that lostness to Himself. We are very grateful for the training and equipping that enables us to grow in our faith and vision for reaching the lost. — Larry and Carolyn Freshour

Our Goal: Oikos to the Ends of the Earth

If God is worthy of the worship of all peoples, if most people in our world are living without an understanding of who God is, and if everyone who is saved is sent, then we are convicted that all believers have a responsibility to be on mission. We are attempting to mobilize every member of Taylors FBC to begin with their own "Oikos"—those close to them but far from God— by praying for them, proclaiming the Gospel to them, and discipling them so that they too are sent to their neighbors and the nations, to proclaim the glory of God to those who have not yet heard. Until the whole world hears, we will commit ourselves to this work; and we will trust the One who is faithful to accomplish it. Let's join Him in His work! From our oikos to the ends of the earth, let's change the world for Jesus together!

The Reach ministry is accepting applications for scholarships for students who are serving with the IMB or NAMB on a summer or semester missions project. To apply, scan the QR code!

2024 Reach Trips

Equip Sunday

Sunday, April 14 | One Worship Service at 10:00 am

Equip Sunday is always an exciting day as we celebrate the equipping ministries of our church, and all the many faithful volunteers who serve within these ministries. We are truly blessed!

Dr. Don Whitney will continue the focus on prayer as we worship together in one service at 10:00 am. The bookstore, *10 of Those*, will be with us in the Welcome Center offering resources for you to continue growing in your understanding and practice of prayer. Also, we will be highlighting two of our staff authors, Jerry Long and Dr. Nathan Finn, in our Resource Center. There will be coffee, donuts, and a chance to speak to the authors. We are looking forward to all God has planned!

Equip Offering

The Equip Offering exists to equip believers through the Establish Network Internship and Residency to be church leaders, and missionaries.

This summer we will host eight interns who will have the opportunity to gain hands-on experience, serving within multiple ministry areas, and growing through multiple learning environments. Our hope is that they will be equipped and sent to be multiplying leaders!

This next year we are expectant, as we plan to send out our first resident! We are thankful for what God is doing already, but prayerfully and humbly asking for God to raise up more laborers that we might equip them and send them into the harvest as missionaries, church planters, ministers, and pastors. Our hope is to create a pipeline of sending!

You can be a part of this exciting work by giving to our Equip Offering! This offering will provide an opportunity for our interns to experience a Reach trip, and open up more opportunities for interns in the future. It will also provide for the housing and educational needs of our residents who are preparing for full-time vocational ministry.

Thank you for prayerfully considering how you can join us in this exciting ministry!

Thank You!

Allison Powell, Pastor Josh's wife, attended a retreat for church planters in San Diego, CA. Taylors Women was given the opportunity to bless the women with a small gift and personal prayers so they know we value them all the way from South Carolina. We received a special message back from one of the participants.

Dear Women of Taylors First Baptist Church and Allison,

I am writing to express my deepest gratitude for the wonderful gifts of soaps and Starbucks cards that you sent to us. Your kindness and generosity have truly touched my heart and those within our community.

Receiving your gifts was not just a gesture of material kindness; it was a reminder of God's love manifested through your obedience to the Holy Spirit. Your act of giving goes beyond mere items; it is a reflection of His boundless love working through each of you. On behalf of everyone in San Diego, CA, I want to convey our heartfelt thanks. Your thoughtfulness has uplifted our spirits and brought joy to our hearts. We are immensely grateful for your support and encouragement.

May God continue to bless each one of you abundantly as you faithfully serve Him and extend His love to others. With warm regards and blessings — Yessenia Jimenez, Kaleo Comunidad Cristiana

Mom to Mom 2024

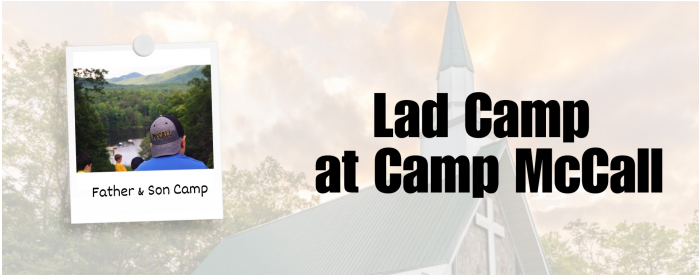

Mom to Mom has just completed our Winter/Spring session! We began the new year focusing was on our marriages with a special program with marriage counselor, Rhonda Loftis, as our speaker. Our next lessons emphasized unique situations we face with our children, and how God's grace is always sufficient in all of life's circumstances. We know that these marriages and our children are gifts from the Lord, and we are seeking to grow in our relationship with the Lord, and rely on His guidance in our relationships with our spouse and our children.

Our 10 weeks of Mom to Mom concluded with a Spring Brunch that was lovely in every way. The beautiful table decorations were carefully prepared for our Moms to help them feel welcomed and loved. Our time together began with Cyndi Thompson, wife of Jeremy Thompson, Equip Pastor, sharing her testimony. She has experienced both joyful and challenging times as a wife, a mother to four wonderful children, and as a foreign missionary. It was so meaningful to have her speak to us.

After this, the Moms made prayer boards. Each Mom was able to choose decorations, and printed colorful scripture cards and sayings to make their board their own unique creation. These boards will serve as a reminder to focus daily on their prayer lives, while encouraging them in their walk with the Lord. The moms were then served a delicious meal, and enjoyed fellowship with each other, and the mentor moms.

We are so thankful that this ministry has touched the lives of so many young moms in our area.
