

A PUBLICATION OF TAYLORS FIRST BAPTIST CHURCH

He is the image of the invisible God, the firstborn of all creation. For by him all things were created, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things were created through him and for him. And he is before all things, and in him all things hold together. And he is the head of the body, the church. Colossians 1:15-18

Worship at Taylors

Why worship?

Because we are commanded in scripture to worship! 1 Chronicles 16:29 says "Ascribe to the Lord the glory due his name; bring an offering and come before him. Worship the Lord in the splendor of his holiness."

Is worship for us or for God?

The answer is both! God wants fellowship with us – He gave the ultimate sacrifice in Jesus, His Son, in order to restore the relationship between God and man that was broken by sin. He delights in our praises. But worship is also for us. It helps us to gain perspective on life, to understand the greatness of God, and our need for Him. We were created to worship!

Why do we sing as part of worship?

Singing is an activity of worship that is found throughout the scriptures, especially in the Psalms. Repeatedly we are admonished to "Sing a new song to the Lord!" (Psalm 96). Singing involves breathing. Our voice is a creation of God. God put a book of songs right in the middle of our Bible, to help us express our heart to Him – our joy and our sorrow and everything in between.

Why do we read scripture together in worship?

Because God speaks to us through His word, and we want to hear from Him, even before we sing our songs and pray our prayers. God is initiator of worship. We respond to His words in praise, thanksgiving, and joy.

Why do we have worship leaders?

We have people who are given gifts to teach, to lead, to share hospitality, to carry the Gospel, to care for the poor and needy. These leaders in our church use their gifts for the good of the Church and for the glory of God. The same is true for those who sing and play instruments and communicate through the tool of music. In the scriptures we find the tribe of Levi who were given the role of worship leadership in the Old Testament. Our singers, choirs, bands, and orchestra fulfill that same role at our church. They are not there to bring glory to themselves, but to point the people to God. The biggest "choir" at Taylors FBC is the congregation. One of our most important questions in evaluating worship services is, "did the people sing?" The worship leaders are there to prompt YOU to join in the worship of our AUDIENCE – The Father, the Son, and the Holy Spirit.

NIGHT OF WORSHIP

My Strength, My Song, My Salvation

Palm Sunday, April 13 | 6:00 pm | Worship Center

Led by our Worship Choir, Orchestra, and Regeneration Student Choir

Why do we have three different worship services on Sunday mornings?

While this may change in the future, we believe that for now the three different expressions of worship reflect the diversity of our multigenerational congregation, and give a space for everyone to express their worship in a familiar context. We also come together for special services and events to give regular focus to the unity of our congregation – unified not around a musical style or worship expression, but around the Lord and the vision He has given to us to change the world for Jesus.

How can you get involved in the Worship Ministry?

We have choirs for every age, from preschool through senior adults! If you love to sing, and want to learn to be a worshiper and a worship leader, come join us! No audition is necessary.

How can I deepen my worship encounter each week?

When you come to a worship service, enter into the experience with your whole heart. If the song is unfamiliar, read the words and meditate. If you know the song, join in singing! Read the word of God with both your head and your

heart. Give attention to the preaching, and allow the Spirit of God to guide your thoughts. Pray fervently. Give your tithes and offerings as an act of worship.

In His encounter with the Samaritan woman at the well, Jesus said, "God is spirit, and those who worship him must worship in spirit and truth." In worship we must engage our minds with the truth of God, giving Him our attention and our focus as He speaks to us from His word. And we must also engage our hearts, our spirit, with the Spirit of God, offering our deepest affection and adoration to Him. We worship with our head and with our heart, in truth and in spirit. Learn to be a worshiper – to know God, to love God, and to praise Him for Who He is and for what He has done for us. — Kevin Batson, Worship Pastor

RESOURCE HIGHLIGHT

The Universe Next Door: A Basic Worldview Catalog, 6th ed. (IVP Academic, 2020).

By James W. Sire

For more than forty years, *The Universe Next Door* has set the standard for a clear, readable introduction to worldviews. Using his widely influential model of eight basic worldview questions, James Sire examines prominent worldviews that have shaped the Western world

Intertwined with this analysis, Sire presents an overview of intellectual history giving insight into the current state of Western thought and culture. Critiquing each worldview within its own frame of reference and in comparison to others, Sire encourages readers to wrestle with life's biggest questions and examine the core beliefs and commitments on which they are building their lives.

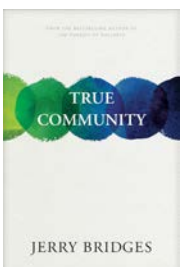

NON-FICTION HIGHLIGHT

"True Community

by Jerry Bridges

Fellowship among believers is more than just talking over coffee after church service. Biblical fellowship in New Testament — or *koinonia* — times had rich and varied meanings, including covenant relationship, partnership in the gospel, communion with God and others, and the sharing of earthly possessions. In *True Community*, bestselling author Jerry Bridges guides you through *koinonia* and its implications for today's church.

FICTION

We have a great selection of Christian fiction that we are always updating! Stop by to browse the shelves, ask our volunteers for recommendations, or look through our database at taylorsfbc.org/resource-center.

EQUIP BELIEVERS.

Jacob Life Group

Our Life Group is truly blessed! We practice the art of still...

We are still learning. We love studying God's Word. We are currently deep in Paul's Epistle to the Ephesians. Marveling together at God's personal attention to us, thankful for His work in our creation, salvation, and formation. Our folks are active participants in a number of Bible focused activities including the Taylors Women's Bible Study, Women's ministry, Bible Study Fellowship, and even a Men's Bible/book study meeting on Monday mornings.

We are still praying. We have a prayer and group fellowship that meets once a month, to bring our petitions and concerns to the Lord. We celebrate what God has done and bear our concerns and requests to Him!

We are still worshipping! Our folks attend corporate worship at both 8:30 and 11:00 am. Rejoicing with all to bring our gift of worship to the Lord.

We are still working, participating in local mission opportunities. This year's Love Taylors project is providing needed supplies for the Miracle Hill Men's Mission. We participate in the Greenville County DSS Meal Train, providing meals monthly for young people awaiting temporary fostering and lodging.

We are still going, with active mission participation with Just for Today, Greer Christian Learning Center, Piedmont Women's Center, Miracle Hill, Taylors Free Medical Clinic, Grief Ministries, and witnessing in our local community. Several of our members have been blessed to be able to participate in Taylor's Reach trips.

And we understand the importance of being still and listening for God's encouragement, His direction, and His love!

Refuel was a wonderful opportunity to catch up with students outside of our normal rhythms. Serving students through making coffee, providing a place to study, and helping students who were working on lessons gave a great space for the Lord to do work through his Holy Spirit in the normal, everyday circumstances that our students are dealing with. It was a reminder that the Lord manifests his majesty even in the mundane. It was a great time!
— Blake F, Interim Minister of Students

Refuel was a great time to be able to get together and fellowship with others. it also provided the opportunity to be able to do homework in a different setting, surrounded by friends. I had such a fun time being able to spend time with some of my friends while also being productive and getting my homework done. — Lenae Gillen, 10th Grade

Refuel is a new student event that was very fun. I went this past Tuesday and had an amazing time working on schoolwork and hanging out with friends. Refuel is great because it allows for friends from other schools to collaborate on assignments. Overall, Refuel was a fun time that I would recommend to all students! — Isaac Allen, 11th Grade

Impact Conference Recap

I recently had the opportunity to lead a breakout at the South Carolina Baptist Impact Conference, sharing insights from the past seven years of college ministry here at Taylors FBC. The session, How to Establish a High-Impact College Ministry, allowed me to reflect on the Lord's work in our students and ministry, highlighting the growth, challenges, and key principles we've learned along the way.

In preparing, I was encouraged in seeing how God moves in the hearts of students who are eager to learn, grow, and lead. Over the years, we've witnessed students stepping up in discipleship, living on mission, and building a strong community centered on Christ. The Lord has blessed this generation with a hunger for His Word and to gather together. It was a privilege to share those stories of transformation and impact with fellow college ministry leaders.

The conference was also an incredible time of collaboration, with over 50 college ministry leaders and volunteers from across the state coming together to discuss best practices, challenges, and the future of reaching college students. From small group discipleship strategies to developing a sending culture, the conversations were rich with wisdom and encouragement. There's something powerful about being in a room full of like-minded leaders who share the same passion for discipling the next generation.

It was encouraging to represent our college ministry at this conference and gave me an opportunity to brag about how Taylors First Baptist as a whole loves college aged students well. You, church family, do an incredible job at including these young adults, joining us for special events like Big Breakfast, contributing funds to send them on missions opportunities and most importantly praying for them. The work is never easy, but seeing God's faithfulness in students' lives—and sharing that with others who are in the trenches of ministry—was a blessing. I am encouraged, thankful, and eager to continue investing in the lives of college students for the glory of God. Thank you for your partnership in our church and ministry.

Alex Smith, Minister of College and Young Adults

Ladies Latte Night Recap

"Ladies Latte Night was an incredible night where college girls were able to learn from and gain wisdom from women who are ahead of us in life. Also, there were bottomless lattes which was such a treat! We were able to hear from Katelyn Hasse and Cyndi Thompson! They both shared how the Lord has faithfully provided and moved in their lives and how He continues to do so. Cyndi highlighted that God loves us and that He creates all things for good works. Ladies Latte night was great time of fellowship, lattes, and learning! Can't wait for it next year!" — Kylie Sheldrake

"Ladies Latte Night was exactly what I needed to start out my week. It was such a sweet time of fellowship with other college aged girls, and a great encouragement to sit under the teaching and guidance of two ladies that have already walked the path that I am walking now. I loved being filled up by good coffee and Christ-centered conversations with girls who are in the same boat as I am in. God moved through the speakers and friends that I interacted with. I am thankful for a college ministry that is seeking to intentionally pour into its students." —Grace Thompson

Global Breakfast

With special Guest: **Nathan Shank**

College and Young Adults, join us for our Global Big Breakfast, in collaboration with the Reach Office at 9:40 am in the Taylors Ministry Center. We'll have our South Asia partner, Nathan Shank, speak to us which will be such an encouragement. Bring a friend and come hungry for good food!

Daniel and I had such a great time at Pickleball and Pasta! It's always fun to gather together as Young Adults to eat yummy food and play pickleball! I'm so thankful for intentional time to hang out with friends and meet new people. And winning the tournament is also the best way to spend an afternoon! — Melissa Mayber

Men's Breakfast Recap

In February, the men of Taylors gathered for a simple but meaningful time together at our first Men's Ministry Prayer Breakfast of 2025. God's Word was the focus as we used it to guide our prayer time. It was a refreshing morning of fellowship, prayer, and growing together in our faith. There's something powerful about men coming together to seek the Lord, and we left feeling strengthened and encouraged. We're already looking forward to the next one and hope even more men will join us as we continue to build a strong community centered on Christ.

ENGAGE THE WORLD.

Meet the Matthews* Family!

We would love for you to meet the Matthews Family who are staying in one of our mission houses here at Taylors FBC. They arrived in December after serving an almost four-year term in the Deaf Affinity.

Corman is originally from Tampa, FL, but moved to the upstate his sophomore year of high school. He went on to NGU where he took an American Sign Language (ASL) class. He already had a passion to share the gospel, so when he heard that around the world only 2% of Deaf people know Christ, his heart was moved. During his senior year at NGU, he met Stephanie.

Stephanie had returned from working with the Deaf in South Asia. When she was young, her church had a ministry to the Deaf, which had birthed a burden in her heart, prompting her to major in ASL at Gardner Webb. And well, the rest is history. Corman and Stephanie married, started working at the SC School for the Deaf and the Blind and then found their way, by God's providence, to Senegal, having been sent out by the IMB to work among the Deaf peoples there.

Senegal is predominantly an Islamic country, though at its root, whether one follows Islam or Catholicism, the people are bound in animism. Looking to witch doctors and sorcery for protection from spirits, the people need Jesus! Corman and Stephanie learned different types of sign language to share Him with lost Deaf and to train believers in Bible stories. While Corman had many opportunities to share with a Deaf soccer team, Stephanie spent time among village Deaf women, who were oppressed, abused and neglected.

Would you pray for the lost Deaf who have "heard" the gospel through sign language — that God would call it up in their hearts and they would believe? Would you pray for believing Deaf to be bold in sharing their faith and the stories they have learned? May God do a great work among the Deaf in Senegal!

We look forward to having the Matthews family here throughout 2025 as they prepare to return to Senegal in December! They will be sharing with our children's ministry on March 5. If you would like to have them share in your Life Group or ministry area, please contact the Reach Office!

UUPGs... What are they? And why do we pray?

An UUPG is an Unengaged Unreached People Group

The red on the portion of the world map above indicates where UUPGs can be found. Where do you see the greatest concentration of Unengaged Unreached People Groups?

If you said South Asia, you are right! The South Asia Affinity is comprised of seven nations — Pakistan, India, Nepal, Bangladesh, Bhutan, Maldives, and Sri Lanka.

Patrick Johnstone in *The Future of the Global Church*, says, “The greatest challenge for world evangelization is presented probably by the peoples of the South Asian affinity bloc. It has more unevangelized individuals and people groups than any other region of the world, and yet in some segments of its societies the Church is growing vigorously. Its ethnic, linguistic, religious and social complexity defies easy description. Overshadowing all is the pervasive caste system that blights India and Nepal especially. The people clusters that comprise South Asian Peoples are based mainly on ethnic origin, language and (to an extent) religion. It is helpful to see the sub-continent in this way, but a three-dimensional model that also incorporates caste is needed. (p. 126)

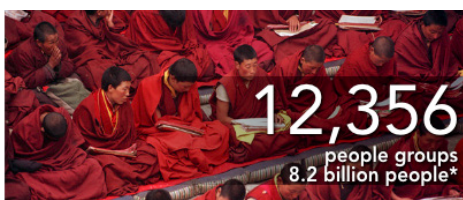

This is why Taylors First Baptist has made an effort to specifically target South Asia. It doesn’t mean other places aren’t important. They are! But we also recognize that while South Asia has the greatest concentration of lostness on the planet, it also receives the smallest percent of laborers to population.

What can you do to see UUPGs come to faith?

PRAY! There are cards with the name of an UUPG on the Reach Table near the coffee bar. Pray individually. Pray as a family. Pray in your Life Group. Pray with other believers here at Taylors FBC every first Sunday, either at 9:15 am or 11:00 am in the Chapel.

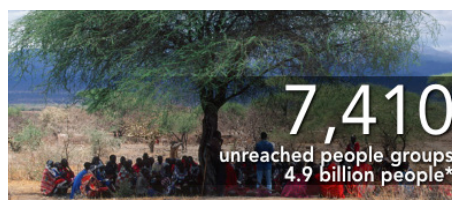

GO! Our South Asia partners are laboring among hundreds of these UUPGs. Join us!

SEND! Give to the Reach Offering and support our partners and those who are going to serve among them!

WHAT IS A PEOPLE GROUP?

An ethno-linguistic group with a common self-identity that is shared by the various members. For strategic purposes it is the largest group within which the Gospel can spread without encountering barriers of understanding or acceptance.

WHY ARE THEY UNREACHED?

A people group is considered unreached (UPG) when there is no indigenous community of believing Christians able to engage this people group with church planting. Technically speaking, the percentage of evangelical Christians in this people group is less than 2 percent.

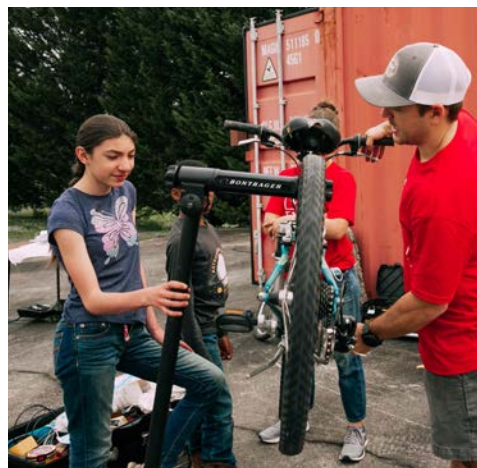

WHO ARE THE UNENGAGED?

Unreached people groups are unengaged (UUPG) when there is no church planting strategy, consistent with evangelical faith and practice, under way. Gathering believers and planting churches are the keys to establishing an effective and multiplying presence among these people groups.

Muslims around the world will spend the evenings of February 28 through March 29 observing Ramadan — fasting from sunup to sundown, feasting in between, praying five times a day, and performing charitable acts. All of this they will do to gain favor from Allah.

Would you pray for Muslims this month? God is drawing Muslims to Himself through dreams and visions, the Bible online, miracles, and of course, gospel proclamation from believers. Would you ask that as He draws them to Himself, they would surrender? Pray that they would seek truth—and when they hear it, they would receive it! Pray for national believers who have been trained to be bold in their faith—even at the risk of persecution—so that Christ is exalted.

Join other believers in committing to pray. Visit the Pray for Ramadan website, created by the IMB at pray4digital.com/prayforramadan.
