Life Groups

The Life Group Ministry at Taylors FBC is the primary means by which we equip our members to grow in spiritual maturity!

5 Characteristics of a Healthy Life Group

Word of God — The Bible is our Life Group curriculum. Every Sunday morning/evening, our primary role is to lead our people to engage the Word of God in such a manner that they grow in their knowledge and understanding of who God is and his ways. We desire for people to behold the glory of the Lord through His Word each Sunday, that they might grow in His likeness and fulfill his mission!

Prayer — We not only engage the Word of God, but we pray the Word of God together! John Piper says, "Praying the Word means reading (or reciting) Scripture in a spirit of prayer and letting the meaning of the verses become our prayer and inspire our thoughts." We pray for the lost and for one another!

Biblical Fellowship — Our times together are "spiritually intentional to sharpen one another while experiencing life together" (Pastoral Theology). The goal is spiritual development as each individual works together for the building up of one another! Writing in regards to Hebrews 10:24-25, David Mathis says, "A literal translation is: 'Consider each other for love and good deeds.' Know each other. Get close. Stay close. Go deep. And consider particular persons, and interact with them, such that you exhort and inspire them to love and good deeds specifically to their mix." In these hard days, we need one another, to "exhort one another... that none of you may be hardened by the deceitfulness of sin" (Hebrews 3:12,13).

Evangelism — Jesus came to seek and save the lost, and he has called his disciples to follow him! He calls us to be fishers of men, His ambassadors! As Life Group leaders we are called not only to be his witnesses but to equip the saints to go and make disciples – Abide/Go/Share/Disciple.

Multiplication — We see God's plan for multiplication throughout Scripture. Healthy disciples and churches multiply! As Life Group leaders we teach in a manner that equips the saints to pass on to others, not only what they have learned but how they have learned it. Our desire is to see multiplying disciple makers, multiplying leaders – multiplying Life Groups.

Collaborative Leaders/Groups

PURPOSE

The Life Group ministry at Taylors FBC is the primary means by which we disciple our members in small groups — Word, Prayer, and Biblical Community.

Our Life Group leaders are vital to the Life Group Ministry! Therefore, we have created Collaborative groups where leaders can gather together to share victories and challenges, pray for one another, encourage one another, and grow together. Our desire is to see our Life Group leaders thriving spiritually and exercising their gifts effectively!

DETAILS

Each Collaborative is made up of Life Group leaders from at least four Life Groups, and no more than six. Because many of our Life Groups have multiple leaders, group size can range between eight to fifteen members. The Equip Pastor facilitates the meeting.

Typical flow of a meeting will involve the following:

- Sharing victories and challenges within your Life Group
- Introduce and discuss core teacher resources
- Praying for one another

Our hope is that these groups and times together will be an encouragement, and allow our leaders to be iron-sharpening-iron for one another!

Small Groups

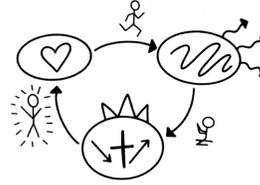

Every person in the body of Christ, His church, plays a part in the building up of the church to maturity. This happens as we gather corporately for worship, meet together in Life Groups, and as we gather in small groups. Small groups, at Taylors FBC, are a ministry of the Life Group, to provide the opportunity for men to meet with men and women to meet with women for accountability and encouragement. These times together are vital for ongoing life transformation! Following is a tool that can help guide your time together.

Breakouts

We realize there are times when God's people need to be equipped to understand how to apply the truth of God's Word to their lives in a particular area. Many times, these areas correspond to particular needs in our lives, either at a particular life stage or in an area of spiritual growth. For this reason, we provide Breakouts. Breakouts meet for a limited amount of time, on a need-to basis. They meet on Wednesday nights or Sunday mornings to focus on a particular area of need – Life Stage or Spiritual Growth.

SOCIAL MEDIA

Guidelines for functioning in an electronic world are the same as the values, ethics and policies leaders are expected to live everyday.

What you should do...

Use your Best Judgment in All Situations. If you wouldn't want your grandmother seeing what you're doing, do not put it online.

You Represent the Church. Whether offline or online, you are representing Taylors FBC at all times. Please keep this in mind as you interact, create and share in the social media world.

Remember Internet Permanency. Google has a very good (and very permanent) memory. Think about this before sharing anything online.

Protect Yourself. Be safe when online. Do not give out too much personal information about yourself, your location, your surroundings or your home address.

Honor Our Differences. Live the scriptural values that we abide by. We love others because God loves others. All people bear His image and are worthy of the dignity inherent in that identity.

What you should never do...

Ignore a Hesitation. If you hesitate before clicking "share," chances are it's a bad idea to share whatever you've just written and/or created.

Air Personal Grievances. Social networks are never a good place to air personal grievances. If you have a conflict with someone, please respect yourself (and them) enough to work through it in person.

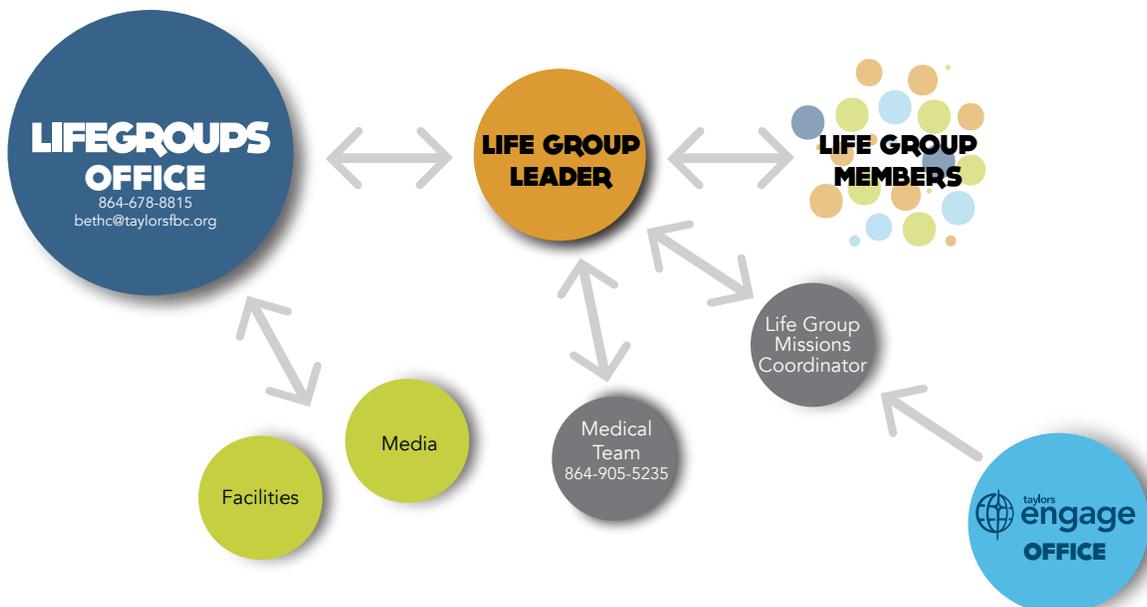

Solve Conflict Online. If conflict arises, never attempt to prove a point in a public forum. Ask clarifying questions if you need to, but if someone is upset by something you've shared, contact them personally and resolve it in a private manner. This will save you lots of heartache.

Give Out Personal Information. Never share personal information about our staff, Taylors members or guests. This is a bad idea. Always.

COMMUNICATION

Email is the main communication channel between the Equip Office and the Life Group leaders. Occasionally we will have group or individual meetings.

COMMUNICATION FLOW

Emergency Procedures

SUSPICIOUS PERSON

- Always be alert for anyone exhibiting unusual behavior and immediately notify a nearby Safety Team Member, "If You See Something, Say Something."
- A Safety Team Member will be on duty in the Welcome Center and in the immediate vicinity of other worship locations at all times prior to, during, and after Sunday services.
- If the suspicious person has a gun and is an immediate threat, be prepared to respond. There are three basic response options: run, hide, or fight. Individuals can run away from the shooter; seek a secure place where they can hide and/or deny the shooter access; or incapacitate the shooter in order to survive and protect others from harm.
- Our church is expanding the safety program to include the Standard Response Protocol (SRP). In the event of an emergency, follow these instructions:
 - HOLD "In your Room, office or area"
 - SECURE "Get inside. Lock outside doors"
 - LOCKDOWN "Locks, Lights, Out of Sight"
 - EVACUATE "A location may be specified"
 - SHELTER "For a Hazard using a safety strategy"

MEDICAL EMERGENCIES

- In case of a medical emergency, please notify a nearby Safety Team Member or call 864-905-5235.
- In case no Safety Team member is not visible in your location, notify the Safety Team in the Welcome Center.
- There should always be a nurse on duty on Sunday mornings, and the nurse will be called by the Safety Team when needed.
- The nurse will decide whether or not to call 911; however, in an extreme situation use your best judgment to go ahead and make the call while also letting the Safety Team know.
- Any time there is a safety/medical incident on campus and you are involved, be sure to notify the Minister of Connections or Equip Pastor so she/he can complete an incident report.
- If you are serving in a remote location with no access to a Safety Team Member, Usher or Staff Member, call the Equip Pastor at 964-365-5530 with the following information:
 - What is the nature of the emergency?
 - Where is the emergency taking place?
 - What kind of back-up or additional help is needed?

FIRE EMERGENCY

- Pull the nearest fire alarm.
- Report the location of the fire to the nearest Safety Team Member, Usher, or Staff member.
- Assist guests in leaving the building via the nearest exit. Exit route maps are located in all classrooms for exit routes if needed.
- Do not allow parents to go to Taylors Children or Taylors Student areas. Children and students will be evacuated to designated egress areas by the staff and volunteers in those areas. Parents should go around the outside of the buildings to these designated areas.

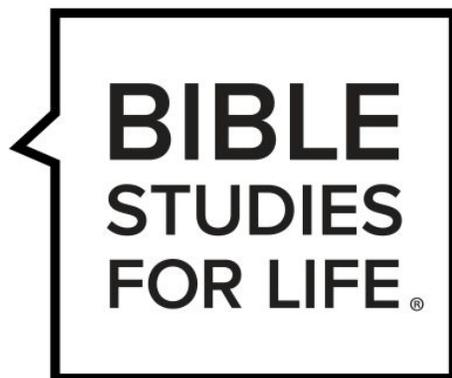

Tools and Practices

Word

The Bible is our Life Group curriculum. Every Sunday morning/evening, our primary role is to lead our people to engage the Word of God in such a manner that they grow in their knowledge and understanding of who God is and his ways. We desire for people to behold the glory of the Lord through His Word each Sunday, that they might grow in His likeness and fulfill his mission!

Proverbs 30:5

Prayer

We not only engage the Word of God, but we pray the Word of God together! John Piper says, "Praying the Word means reading (or reciting) Scripture in a spirit of prayer and letting the meaning of the verses become our prayer and inspire our thoughts." We pray for the lost and for one another!

Prayer in Life Groups

Prayer, according to Chuck Lawless in his book *Potential and Power of Prayer*, is simply “Communicating with God.” He goes on to say that prayer is an “expression of our relationship with God and a confession of our dependence on him.” As we listen to him in his Word we then have the opportunity to speak to him in prayer!

As you lead your Life Group to communicate to God in prayer, we encourage you to enlist a Prayer Coordinator. The Prayer Coordinator will lead the class to:

- Keep prayer central in all meetings and events
- Seek prayer request from your class and share them with the entire class. They also should share answers to prayer with the whole class so all can rejoice!
- Connect with the church to promote churchwide prayer efforts
- Identify and pray for specific Taylors FBC ministries and partners using Engage Partner Updates as well as UUPGs.

Biblical Fellowship

Biblical Fellowship – Our times together are “spiritually intentional to sharpen one another while experiencing life together” (Pastoral Theology). The goal is spiritual development as each individual works together for the building up of one another! Writing in regards to Hebrews 10:24-25, David Mathis says, “A literal translation is: ‘Consider each other for love and good deeds.’ Know each other. Get close. Stay close. Go deep. And consider particular persons, and interact with them, such that you exhort and inspire them to love and good deeds specifically to their mix.” In these hard days, we need one another, to “exhort one another... that none of you may be hardened by the deceitfulness of sin” (Hebrews 3:12,13).

Fellowship and Care

- Recognize life events in a special way (birthdays, baby showers, weddings, etc.)
- Communicate prayer needs and praises to Life Group members weekly (email, Facebook, etc.).
- Coordinate communication between Life Group members. This can happen organically through phone calls, texts or email chains, but also can be structured through a weekly email which covers current events.
- Create a Care Team. Each member of the Care Team would be responsible for weekly checkups on their appointed Life Group members. One team member could look over 5, 7, or 9 people. It would be the responsibility of the care Team member to report to the Care Team Leader the specific needs, which would then be communicated by the Care Team Leader to the teacher, class, and added to the prayer list.
- Ministering to Life Group members in crisis. Possible ways to minister: taking meals, help with appointments, help with finances, etc.
- Ministering to Life Group members in sin. There is a proper way to address sin in a fellow believer, that he may be restored in fellowship with God and man. This is critical to growing in godliness and holiness, as well as maintaining the health of the church. Here is an article that may be helpful: "A Church Discipline Primer" by Jonathan Leeman (www.9marks.org/article/church-discipline-primer). Please feel free to contact one of your pastors for advice and help when needed.

Evangelism

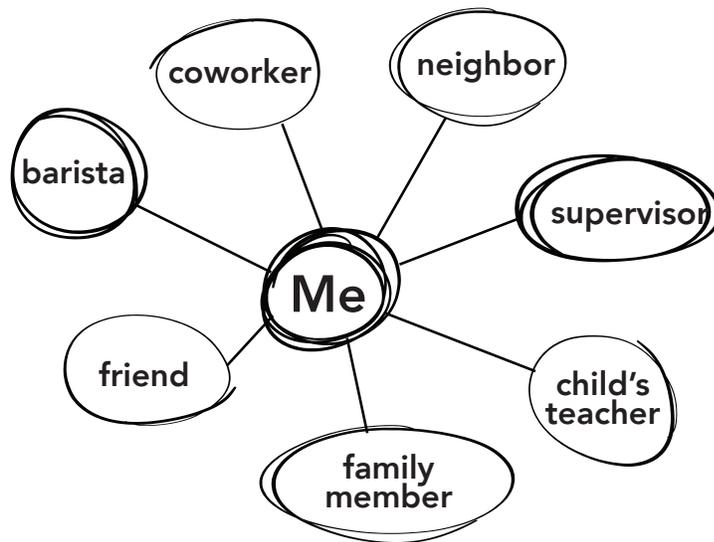

Jesus came to seek and save the lost, and he has called his disciples to follow him! He calls us to be fishers of man, his witnesses! As Life Group leaders we are called not only to be his witnesses but to equip the saints to go and make disciples – Abide/Go/Share/Disciple.

Evangelism Tools

Pray for the lost by name. Encourage people to identify those God has put in their life to hear the gospel from them and then put that person's name on the board to pray for. Use the Oikos Map, Testimony, and 3 Circles tools. Follow-up each Sunday on what has happened through the week in the lives of those who have been shared. Rejoice when they receive Christ and bring them into your Life Group!

Discipleship Tool: Disciple Cycle

The Disciple Cycle is the tool that Taylors FBC has adopted to equip every believer to be a healthy disciple who makes disciples. It is a 12-week study that lays out the biblical patterns that are foundational for every healthy disciple. The biblical patterns are given in a way that equips the learned to follow the patterns and pass them along to the next generation.
