taylors seniors

Taylors Seniors exists to create a spiritual environment founded and grounded in the authority of the Word of God through which Senior Adults experience salvation through Jesus Christ; having done so, they are then discipled to be disciple-makers.

Our Senior Adults are Changing the World for Jesus

At Taylors FBC, senior adults are not just a segment of our congregation; they are a vital force driving the mission of our church to Change the World for Jesus. Far from sitting on the sidelines, our seniors actively lead and serve across every major area of church life. Today, you will find senior adults making a kingdom impact as Life Group leaders, deacons, and breakout session leaders. They are investing in the next generation within our children, youth, and recreation ministries, and they provide essential care to families by serving on our funeral, bereavement, and marriage ministries. Our church thrives because of the wisdom, dedication, and active service of our senior adults.

In a large church like Taylors FBC, it is easy to feel lost in the crowd. However, our Senior Adult Ministry offers a community where you can truly be known, discipled, and cared for. The ultimate purpose of our ministry is to create a spiritual environment founded and grounded in the authority of the Word of God. Through this foundation, senior adults experience salvation through Jesus Christ and are discipled to become lifelong disciple-makers.

Anchored in Life Groups

The primary vehicle for this life-transforming ministry is our Life Groups. We currently offer 15 unique Life Groups specifically tailored for adults aged 55 or older. Meeting weekly, these groups are anchored by three core pillars:

- Word: Every single Life Group is strictly centered on the Word of God. While a few groups utilize specialized, Word-focused curriculum, most of our groups grow together by systematically working their way verse-by-verse through books of the Bible.
- Prayer: In these smaller circles, burdens and celebrations of what God is doing are shared in prayer.
- Fellowship: Deep relationships are formed here, allowing for true spiritual multiplication to take place.

Beyond our weekly small groups, we anchor our calendar with cornerstone events that bring our community together.

- Seasonal Traditions: From the fellowship of Spring Fling to It's Fall Y'all, these seasonal events are staples of our ministry.
- Combined Life Group Gatherings: These recently launched events bring our various senior adult Life Groups together into one place, fostering a broader sense of unity and extended times of fellowship.

Whether you are looking to dive deeper into Scripture, find a dedicated prayer community, or engage in meaningful fellowship, there is a place for you.

EXTRA YEARS OF ZEST

XYZ

Celebrating 58 years

An organized outreach and fellowship ministry for senior adults in the Taylors area was first envisioned by Frances Barnette, a member of Taylors First Baptist Church, in the summer of 1968. She enlisted a few seniors from the church to suggest a name to reflect the dynamic years of those who would be active participants in this ministry. Thus, XYZ Fellowship came into being with the name, "Xtra Years of Zest Fellowship." For many of Frances' 36 years of service to XYZ, she served as Editor of the Senior Alert! Who would have even thought a senior program could have survived continuously for 58 years, but today XYZ has about 500 members representing 116 local churches. The second Monday of every month, XYZ provides a short devotional, an entertaining program, and a delicious meal…all for $12. If you are 55 or older (and don't have a doctor's appointment that day), we invite you to sign up online, or call the Church Office at 864-244-3535 for more information, then meet us in the Fellowship Hall for fun and fellowship! — Judy Dorn

Advent

We recommend "Christmas Thoughts" by J. C. Ryle this Advent season! Pick up a copy where books are sold.

J. C. Ryle urges us – in the midst of our feasting and festivities and family reunions – to make time to consider our spiritual state and our relationship with God. How is it with our souls? What do we make of Jesus Christ? What will be our future, when all our Christmases are past? This little book contains five of Ryle's most popular Christmas tracts, the spiritual wisdom of which is timeless.

ENCOUNTER GOD.

taylors worship

Colossians 1:16-17 declares: *For by him all things were created, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things were created through him and for him.*

God created us to know Him and to worship Him.

There's just something different about singing and worshipping God outside in a different environment.

Your senses are heightened, the lyrics hit with more impact, and your heart contemplates the glory and goodness of God.

Thank you to everyone who came to the Outdoor Night of Worship! Psalm 19 led the way as we encountered God in the beauty of His creation.

His majesty was on display as we declared the glory of God in creation, the perfection of His word, and proclaimed the name of Jesus, our Rock and Redeemer.

Taylors Women exists to disciple women to love God more by knowing Him better.

An Evening for Women: In Every Season

by Mallory Gilmore, Taylors Women Coordinator

We are celebrating and giving God glory for An Evening for Women: In Every Season. Cameron Burroughs and Grace Thompson led us beautifully in worship, helping to set the tone for a meaningful evening of encouragement and connection. Allison Powell, our pastor's wife, moderated a panel featuring Hannah Miller, Tatiana Dolan, Britney Moore, and Macy Grace Powell. Each woman shared how God has remained faithful through the different seasons of her life. Many attendees expressed how deeply these stories encouraged them in the seasons they are currently walking through. We are grateful for every woman who participated and for the reminder that, in every season, God is faithful.

Beholding the Lord in Every Season

During our second session, Sheri Metz and Paula Prince opened with a guided prayer time through Psalm 34, preparing our hearts for worship and to receive God's Word. Our guest speaker, Glenna Marshall, brought both laughter and truth as she reminded us that when we behold the Lord, we can bless Him at all times. She walked

us through five ways we can behold Him, helping us understand how fixing our eyes on God enables us to remain persistent in our praise:

- Behold God in humility (Psalm 34:1–3)
- Behold what God has done in your life (Psalm 34:4–7)
- Behold God by fearing Him and enjoying Him (Psalm 34:8–14)
- Behold God's promises of deliverance and presence (Psalm 34:15–18)
- Behold God's victory in Jesus (Psalm 34:19–22)

Our fellowship time was also a beautiful part of the evening as women made new connections, enjoyed meaningful conversation, and shared plenty of laughter. The delicious lattes and desserts made the time together even sweeter!

Please Share With Us

We would love to hear how the evening encouraged you. Please send your story to malloryg@taylorsfbc.org.

Let's Hear What Others Had to Say

"Hearing Glenna speak at Taylors First Baptist was a real treat. Her teaching was grounded in scripture, uplifting and encouraging...with a little dash of humor." — Virginia M.

"My favorite part was seeing every generation of our church worshipping together. College girls worshipping next to older women, with every age in between, was such a beautiful reminder that we can praise God faithfully in every season." — Britney M.

"An Evening for Women was truly such a precious night. Seeing generations of women fellowship and remember the faithfulness of our Lord is worthy of praise. One of my favorite parts of the night was having time in between sessions to talk with the other women attending, specifically with some college students in attendance. Even while we ate some yummy dessert and drank some delicious coffee, conversations about what Christ has done in our lives sparked a unique joy that carried over into the rest of the night. I was reminded of how sharing the goodness of God might just provide a glimpse of hope that someone else needs to hear. Glenna said it best: When we behold the Lord, we can praise Him at all times. I'm so thankful for the Taylors Women's team and their intentionality behind this evening!" — Morgan Hester

"What a powerful night for women to gather and be fed. I was big time blessed to be a part of this night at Taylors First Baptist Church celebrating our awesome God. From the first hello, I was embraced with the love of Jesus. Women were everywhere with the open arms of Jesus, "Come one, come all." This everyone included an impressive number of young girls in attendance. The presence of these young women was a testimony to me of your influence on the younger generation. They came; they worshipped enthusiastically. They spoke their powerful testimonies proclaiming Romans 8:28. "And, we know in all things, God works for the good of those who love Him and are called according to His purpose." The first part of the night was testimonies of young girls who shared their stories of most difficult struggles in their lives and how God used these struggles to bless them and bring them closer to Jesus. Their reflections on the Presence and Faithfulness of Jesus as they lived in days of pain was in every testimony. Every story included how God worked for the ultimate good for them, drawing them closer to Jesus and loving Him more. These women spoke truth. The Lord never fails. God is always with us. Our God is a sovereign God. Every testimony spoke encouragement to the women of all ages who were there. Come worship the Lord and we did! The praise team was amazing. What a blessed time to be in a room of women joyfully, enthusiastically lifting up the Lord in song. The songs we sang were perfect. Thank you for including my favorite praise song, The Goodness of God. Glenna Marshall, the featured speaker, energized the room with her love for the Lord. There are seasons in life and God is faithful through them all. He is Worthy. Thank you, Taylors First Baptist Church, for this powerful night for women to come together and worship the Lord." — Jan Boggs

The Lord's Faithfulness

By Matthew Kilgore, Minister of Students

I want to thank the Lord for seeing students grow in relationship with one another this semester. I have seen a unity among our students during our weekly rhythms, and I am praying that the Lord continues to unite us to Him and to one another.

Would you join me in praying that this unity in the gospel is maintained for God's glory?

- That our students would continue to grow in Life Groups and Small Groups.
- That our students would be on mission in our community and in our schools.
- That others might know us by our love.

Advent

We recommend "The Characters of Christmas" written by Daniel Darling for families this Advent season! Pick up a copy where books are sold.

We hate to admit it, but after years, sometimes even decades, of reading the same Luke 2 story of Christmas, we get a little bored—we lose some of the awe we ought to have when discussing the greatest miracle in history. That's why "The Characters of Christmas" was written, to help you take a fresh look at the Christmas story by getting to know the minor characters that played a part in Jesus' birth, such as Zechariah and Elizabeth, the shepherds, and Herod.

taylors college

We are rooted in a deep desire to see students grow into mature disciples of Jesus Christ. We operate with the understanding that these young adults are not only the church of tomorrow but an integral part of the church today.

Voices of Taylors College

Taylors College has been such a blessing to me during my time at North Greenville University. When I started at NGU, I immediately started looking for churches. When I decided to become a member at Taylors, I knew for certain that it was where the Lord wanted me to be. One of the main things I was looking for in a church was a college ministry that poured into students and equipped them for the future. Taylors College has given me that opportunity and so much more. I have seen the way the Lord has grown not only me but also my friends through Taylors College Ministry.

One of the biggest blessings of Taylors College and Taylors First Baptist Church is the staff and adult leaders who consistently pour into college students. I am so grateful for Alex, Morgan, and the rest of the college staff who intentionally walk with college students through this season of life. I am also thankful for the mentorship and discipleship that Taylors College has provided me with. Being a part of a multigenerational church that intentionally pours into college students has been very impactful on my relationship with the Lord. Being able to be poured into through mentorship and even Big Breakfast has been so sweet. I have also truly enjoyed the opportunity to serve in the nursery, which Taylors College has connected me to. I am so thankful for Taylors College and how it has allowed me to grow in my faith and connect deeply with other believers. — Cameron Hyatt, North Greenville University

Ministry Home Update: Welcome, Starnes Family!

The Starnes family serves in West Africa sharing the gospel with many, many different people groups! Their city is home to over 2 million people, representing every unreached people group in our country, many of the unreached people groups across West Africa, and even unreached peoples from very different parts of the world. The Lord, in His kindness, has provided them with opportunities to also equip churches to share the gospel. Please pray for the Starnes family to grow in intimacy with Christ, to have boldness in sharing the gospel with family on their Stateside assignment and with lost people in West Africa, and to find healthy rhythms of rest and work. Pray for their kids to grow in love of the Lord and wisdom. Pray for the Lord to raise up believers in West Africa who have a clear understanding of the gospel and a passion to reach the lost. Pray for the lost in West Africa to have a deep-seated dissatisfaction with the lies of the enemy and to have the courage to seek the truth. Thank

Monthly Prayer for Unengaged Unreached People Groups

The Parsi of Sri Lanka are a UUPG numbering about 2,600 who speak Gujarati and who trace their heritage to the Persian kings of the Old Testament. They believe the magi who came to worship at Jesus' birth were Parsi. They are Zoroastrians and also believe that to be Parsi, a person must be born a Parsi and perform a blood covenant ritual right before the age of puberty where they are bathed and offered bull urine (considered to be the blood of their god). If the women marry outside of their people group, they are no longer considered Parsi.

Pray that these people, who hold to a code of conduct summarized as "good thought, good word, good deeds," would realize that their good deeds and recitations of their Zoroastrian scriptures will not earn them a place in heaven. Instead, only believing in the shed blood of Jesus and His sacrifice will give them eternal security.

Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me." John 14:6

Mission Partner Update: Matt & Jennie Bullard

Church/Organization: Redemption Bear River Church

Story: There is a young couple from our church who were formerly Latter-day Saints (LDS) and very new to the Christian church. We began meeting for dinner, just to get to know them and build a friendship. One evening at Bible Study, the husband leaned over and asked Matt if we would teach them how to read the Bible. He said they had been struggling in that area and just wanted to know how they could get more out of their reading. So, we had them over to our home the next evening and we spent two hours talking about how to study a passage and worked through Ephesians 2:1-10. Over the past few weeks, we have seen them using their new Bibles and journals to follow along more with the sermons on Sunday mornings, and we are continuing to invest in them, both as friends and new believers.

Challenge: The thing we find most challenging is sharing the gospel with those of the Mormon faith. We use a lot of the same words, but what we mean by them is totally different. We say, "we are saved by the grace of God through our faith in what Jesus has done." They would say, "Yep, isn't that wonderful!" They think they agree because of the words we both use but they come with a completely different connotation. What they mean by grace is what God does after we have worked as hard as we can to make it the rest of the way to heaven. They would say that Jesus is not God, rather he was the firstborn of the children of God, as we all are, who came to set the perfect example for us. And, to the LDS, that work that he did was fulfilled as Jesus deferred his will to the will of the Father just before he was betrayed and crucified.

Prayer Requests

1. Pray for our church, Redemption Bear River. Pray for our two pastors and their families, and that our church would be able to share Christ throughout the Bear River Valley. Pray that our church would not be bound by a Sunday morning, but that it would extend as our members go throughout the community, every day.

2. Pray for our community. Pray that the Lord would allow the gospel to permeate into the hardest of hearts and bring great testimonies out of Tremonton.

3. Pray that we would faithfully proclaim the gospel in every area of our lives: through our marriage, in our conversations with unbelievers like the LDS missionaries and our neighbors, in our youth group, and in every interaction we have. Pray that our marriage would be strong and that we would grow in love.

ESTABLISH THE CHURCH.

Establish Network

We seek to glorify the Lord Jesus Christ by equipping students to strengthen churches and fulfill the Great Commission.

Daniel C., Establish Network Resident

My name is Daniel, and I am in the process of completing my MA in Christian Ministry from Southeastern Baptist Theological Seminary while serving as a Resident here at Taylors FBC. I am from the small town of Ninety Six, South Carolina, but spent a large portion of my childhood overseas after the Lord called my parents to move our family to South Asia. While my parents were still serving there, I moved back to South Carolina to attend North Greenville University.

After graduating from North Greenville with a Bachelor of Business Administration, I went straight into the workforce. I had no plans to pursue ministry and certainly had no interest in furthering my education. Over the course of the next two years, though, the Lord really opened my eyes to see the reality of lostness around the world and the great need for people who would be willing to take the gospel to places where few people have heard it. I began to be seriously convicted of my selfish desire to pursue my own will and my own plans for my life, rather than submitting to the Lord's will and being obedient to His call to go. Shortly after, I began to pray about seminary and was able to have a conversation with Pastor Jeremy about what that might look like. With only a few weeks until the beginning of the semester, I left my job and the Lord opened a door for me to join the Establish Network as a Resident and begin taking classes.

I am extremely thankful for the Establish Network and the opportunities I have had to grow in my knowledge and love for the Lord, to serve in a variety of different ways, and see others model what it looks like to walk as healthy disciples and faithful servants in ministry. During this last year, I have been able to proclaim the gospel in our community through the weekly Time in the Harvest, disciple new believers, go internationally alongside a team from our church, volunteer in our Student Ministry, and much more. In addition, I have been better equipped for ministry through the education I have received from Southeastern. All of these experiences have solidified my calling and given me an even deeper desire to live on mission. In this next year, I am excited to see how the Lord continues to grow me in my walk with Him and provide more opportunities to serve Him faithfully.
